

Undertold Texas Book Blurb

Travel Texas history in the shoes of lesser-known people who illuminate big stories in our Lone Star past. This curated journey through an eclectic collection of Texas history ranges across five centuries. Find captivating stories in Texas politics, arts, labor, literature, agriculture, oil, ranching, sports, and civil rights. There are heartrending struggles and inspiring triumphs of will. Rousing successes and crying shames. From the high school gridiron to armed uprisings, from the strains of early Texas blues to gushers of black gold, these tales bring something entertaining for Texans new and old. Undertold Texas addresses some common Texas myths and reveals some largely obscured truths from our rich Lone Story history. Experience Texas as never before.
